CORN BELT'S OWN FARM BILL UP IN CONGRESS

VOTE IS TO BE FORCED ON THE MEASURE SOON

SKILLED MANEUVERING OF THE FARM BLOC COMES TO LIGHT
BIG SURPLUS DISPOSAL MEASURE TACKLED ON ADMINISTRATION LAW

By PAUL R. MALLON
(United Press Staff Correspondent)
Washington, April 29.—A vote will be forced in congress on the corn belt's own farm bill, it was disclosed today when the skilled maneuvering of the farm bloc came to light.

It was discovered that the all important \$250,000,000 surplus disposal measure, drawn by the Iowa committee of 48 had been tacked on to the inoffensive administration co-operative marketing measure as an amendment by the senate agricultural committee.

This gives the farm bloc members a parliamentary advantage which has made them jubilant over prospects of early action. The measure now is pending upon the senate calendar and Chairman Wadsworth of the senate steering committee told the United Press that he would call a meeting of his committee probably today to give farm relief preference after four measures now in the program. The agricultural committee first reported out as separate measure the corn belt bill which is an interpretation of similar bills which have been killed by the last two congresses. Under this arrangement it would have been the object to all devices of delay because it does not encourage support of the administration. Later, however, Senator Norris, republican, Nebraska, is said to have persuaded the committee to attach the highly controversial measure on an amendment to the administration's bill, thus forcing for it the same favor as the unobjectionable measure.

President Coolidge already has demanded early action upon the co-operative marketing measure, and word that the steering committee is to give it a prominent place assures it a vote.

The Tinchin farm relief bill is inadequate and puerile as compared with the Haugen farm relief bill. Chester Gray and Russell Bower of the American Farm Bureau Federation, told President Coolidge today. The Tinchin bill is purely superficial, they said, and does not touch the heart of the farmers' problem. The Haugen bill, on the other hand, they declared, provided immediate assistance to the farm itself and met the approval of all farm experts.

"The Tinchin bill fails to handle the important question of surplus of farm products," the farm heads told the president, "while the Haugen bill provides a means for distributing this surplus and guaranteeing to the farmer adequate reimbursement for his crop."

"The Tinchin bill is satisfactory after a fashion, but is not sufficiently all embracing to be considered a thorough relief measure."

The Tinchin bill provides a revolving relief fund, held in the treasury of \$100,000,000 and creates a farm board possessing jurisdiction over all farm problems. The Haugen bill provides a fund of \$225,000,000, available immediately to farmers a system of disposing of surplus crops and an equalization fee that would reimburse the fund after two years for expenditures.

Washington, April 29.—The right of the agriculture committee to report simultaneously three farm bills bearing on the same subject and seeking the same end, was challenged in the house today by Rep. Cannon, democrat, Missouri.

Rising to a question of privilege, Cannon presented a resolution providing for an investigation by a select committee to determine the validity of the recent action by the agriculture committee. The committee has reported three widely divergent plans for farm relief.

SAYS HUSBAND KILLED SELF, DENIES ANOTHER IS HUSBAND

Port Huron, Mich., April 29.—(UP)—Insisting that Adelard Lebert, her former husband, committed suicide a year ago at Sarnia, Ont., Mrs. Victoria Lebert Manley today denied that a man who returned here this week was Lebert, as he claimed to be.

Telephone Rates in Brainerd Largely Increased

WEALTHY WIDOW DEFENDANT IN \$250,000 SUIT

Milwaukee, April 29.—(UP)—Mrs. Eleanor B. Philipp, wealthy widow here, has been named defendant in a \$250,000 alienation of affection suit filed in circuit court here by Mrs. John F. Howard, Boston.

92 DEATHS AS RESULT OF MACHINE GUN RULE

BEER INDUSTRY IN CHICAGO IS RULED WITH IRON HAND

500 LAW OFFICERS SEEK TO ANSWER CHALLENGE OF THE UNDERWORLD

By MAX BUCKINGHAM
(United Press Staff Correspondent)
Chicago, April 29.—A grim toll of 92 deaths as result of the "machine gun rule" of the beer industry, today confronted police as they sought a solution to the assassination of a popular young assistant state's attorney and two notorious beer runners. Twenty-five of the victims have fallen in four months of this year.

With these figures staring at them 500 law officers today prepared to answer the challenge of the underworld, which was given when a roaring machine gun rained death labelled bullets on "death demanding" William McSwiggin, Jimmy Doherty and Tom Duffy Tuesday night.

The answer to the underworld challenge carried police today into Cicero, Chicago's west side and other known haunts of the beer warriors. Deputized to operate in any part of Cook county, the law army set out with a dual purpose:

1. Arrest the slayers of McSwiggin.
2. Make Cook county safe from gang rule.

Last night the county was quiet as the safety forces swung into action. Revelries which had existed in the roadhouses were calmed. The big gaming places of Cicero were darkened. Only a few persons stood about the saloons, which recently have reaped most of the death fire of the ambushing machine guns.

The underworld expected Crowe's army and they were not disappointed. The police, led by 30 trained Chicago police officials, gathered between 80 and 100 suspects for questioning in Tuesday's mass assassination.

Foremost among the suspects taken was Ralph Capone, brother of Scarface Al Capone, the reputed war lord of the underworld, whose commands meant death and bloodshed.

The younger Capone and his wife, Peggy, were caught in one of the roadhouse haunts. A search of their rooms revealed a cache of shells.

Instruction in operation of a Thompson machine gun, the kind used in recent raids of the beer forces, were found in the room. Seven automatic pistols were close by as was cleaning paraphernalia for the artillery.

But there was no trace of Scarface Al, the much sought.

The elder Capone for two years has headed the Italian "mob" which has successfully wrestled control of the beer industry from the Irish, through adeptness in the use of machine guns and sawed off rifles.

Recently, according to secret service of the police, Capone's beer musketeers have lost business in Cicero to the Irish headed by Doherty and the two O'Donnell brothers, Mike and Steve. This caused a recurrence of the old hate.

Three times in the last fortnight curtained motor cars have appeared in front of Cicero saloons allied with the Irish and a rain of machine gun fire has poured over the bar. No one was killed, however, until Tuesday when McSwiggin and his two companions were made victims of the ruthless warfare.

But police today were informed that Scarface, who had ruled so long with the mailed fist, had fled.

SNIPER SHOOTING BEER BARONS

Chicago, April 29.—Society, cognizant that the beer war, which has taken 92 lives in six years, is endangering law and order in Chicago, today started a probe of conditions which permit an assistant prosecutor

TRADES UNION CONGRESS IN A SECRET MEETING

400, REPRESENTING 5,000,000 BRITISH WORKERS, CONSIDER COAL MINE DISPUTE

MAY RESULT IN SIMULTANEOUS STRIKE AND LOCKOUT IN BRITAIN

By CLIFFORD W. DAY
(United Press Staff Correspondent)
London, April 29.—Four hundred members of the Trades Union congress, representing 5,000,000 British workers, convened secretly this afternoon to consider the coal mine dispute which may result in a simultaneous strike and lockout affecting hundreds of thousands of miners at midnight Friday.

The question before the congress was understood to have been whether or not the entire Trades Union organization should go out in a general sympathetic strike in the event the coal crisis is not settled.

It is reported that the general council of the Trades Union movement was solidly behind the miners. The 400 delegates to the congress are executives of 205 British trades unions.

The Trades Union congress adjourned until Friday after adopting a resolution pledging the trades union movement to the general support of the miners. This doesn't mean that the congress would recommend a general sympathetic strike.

POLICE DISPERSE HOSTILE CROWD AROUND CAR

THE BRITISH BOBBIES PROTECT YOUNG MISS BETTY BALDWIN

DAUGHTER OF BRITISH PREMIER VISITED POLLING PLACE

London, April 29.—(UP)—Police today dispersed a hostile crowd that swarmed around the automobile of Miss Betty Baldwin, daughter of Premier Baldwin, when she visited a polling place in Eastham during a by-election.

The by-election was hotly contested by three candidates, conservative, liberal and laborite. Miss Susan Lawrence was the laborite candidate.

ALLIED CHINESE ATTACK RESUMED

RIP UP LONG STRETCH OF TRACK OF PEKING-KALGAN RAILWAY

Peking, April 29.—(UP)—The allied Chinese armies' attack on the nationalist army which recently evacuated Peking was resumed vigorously today.

The allies removed a long stretch of track from the Peking-Kalgan railway by which the nationalists had intended to withdraw from Nankow to Kalgan. Intermittent attacks were launched against Nankow, where the principal nationalist force was concentrated. An encircling movement designed to pen in nationalists in Nankow seems to be under way.

to be killed by snipe shooting beer barons.

The injection of society into the beer strife came at the convening of a coroner's jury which is attempting to find the machine gun assassins who killed Assistant State's Attorney William McSwiggin and two beer runners, Jimmy Doherty and Tom Duffy, Tuesday night.

The coroner's jury is composed of two bankers, a broker, a manufacturer, a realtor and a building manager.

Milwaukee, Wis., April 29.—Local police today were ordered to look out for Chicago gangsters, following word from Chicago that the slayers of William McSwiggin and two other men at Cicero, might have come here.

1926 SHIPPING SEASON STARTS AT SAULT STE MARIE

Sault Ste Marie, Mich., April 29.—(UP)—The 1926 shipping season was inaugurated here today with arrival of the steamer Harvester, of the Wisconsin Steel company, which left Chicago Friday night, bound for Duluth.

Last year the first passage through the government locks here was made by the T. J. Drummond on April 10.

The Harvester was delayed several days by ice jams in the Mackinac straits. She was expected to remain here until ice conditions in White Fish bay become more favorable.

SCOTT DENIES IRREGULARITY IN HIS LOANS

DEALT WITH NATIONAL EXCHANGE BANK OF ST. PAUL

CASHIER JENSEN SAYS \$2,000 OF HIS SHORTAGE WENT TO SCOTT

St. Paul, April 29.—(UP)—William F. Scott, St. Paul city comptroller, last night denied irregularity in his loans from the National Exchange bank, following the testimony of Arch O. Jensen, cashier, that \$2,000 of his shortage went to Scott for private and campaign purposes.

Jensen pleaded guilty in United States district court to three counts in an indictment charging defalcation and false entries. He was sentenced to 12 years in the federal penitentiary at Leavenworth. Total of his pecuniations was said to be \$30,000.

Before sentence was passed he told the court \$2,000 of that amount was given to Scott in the last St. Paul city election and never returned. Scott denied that his dealings with Jensen were personal.

The comptroller said \$5,000 was borrowed from the bank on an automobile loan to him by Jensen and Henry J. Crepeau, former chief of police. The automobile, he explained, was turned back after he had driven it a month and a half.

Scott further claimed that most of his loan had been repaid before Jensen's arrest. His attorney advised him, he said, to await demand before taking action on the balance.

FROST DID LITTLE DAMAGE

St. Paul, April 29.—Frosts this week in the northwest did little damage, agricultural experts announced today. The backward season, they said, probably saved fruit trees and wheat in some sections.

POLICE STOP HOLDUPS IN CEDAR RAPIDS

2 BANDITS KILLED AND A THIRD CAPTURED BY AUTHORITIES

TRIO FELL INTO TRAP WITH PARKED CAR AS A BAIT

Cedar Rapids, April 29.—(UP)—An end to the hold-up wave which has resulted in 18 robberies in two months was seen today following the killing of two bandits and capture of a third by police last night.

The trio was trapped by police who had purposely parked a motor car on a lonely road where the bandit trio was working.

As the bandit trio appeared and sounded the horn on their own motor car, Al Mikota, a detective, and Steve Stolba, a patrolman, stepped out of the parked machine. Instead of obeying the holdup command the two officers opened fire.

Floyd Ralston, 18, fell dead; Louis Burns, 21, was so badly injured that he died a few hours later in the hospital, while Thomas Gahan was captured.

CREAM SHIPPING RATE CASE SOON BEFORE COURTS

INVOLVES THE TRANSPORTATION COST TO NORTH DAKOTA PRODUCERS

FOR SHIPMENTS TO THE MINNESOTA CREAM ERIES

Minneapolis, April 29.—(UP)—A decision in the cream shipping rate case involving transportation cost to North Dakota producers for shipments to Minnesota creameries probably will not be reached until next summer.

This was announced by W. A. Disque of the interstate commerce commission, who completed hearings late yesterday. He said a brief will not be filed until May 31, after which oral arguments may be made in Washington.

Meanwhile increases asked by the Great Northern, Northern Pacific and Soo Line railroads stand suspended. The roads at the hearings contended that present rates were unreasonable to them while shippers testified that proposed new rates would be higher than those charged elsewhere.

Coincident with the conclusion of hearings was the federal reserve bank report showing that the ninth federal reserve district produces 22 per cent of all the creamery butter made in the United States.

PAPERS IN WILLIAMS COURT MARTIAL READY

REACH THE NAVY DEPARTMENT HEADS FOR CONSIDERATION

WILL BE PASSED ON BY THE JUDGE ADVOCATE GENERAL

Washington, April 29.—(UP)—Papers in the court martial trial of Alexander Williams, accused by General Smedley D. Butler of drunkenness in San Diego, reached the navy department today. They will be passed on by the judge advocate general and then submitted to Secretary of Navy Wilbur for final action.

Colonel Williams was found guilty by the San Diego court martial.

18 YEAR OLD GIRL ASSAULTED

MEN FORCED IODINE DOWN HER THROAT, GAGGED AND BOUND HER

Wadena, Minn., April 29.—(UP)—Two men were held here today pending arrival of Miss Edith Andrud, 18-year-old farm girl living near Buxton, N. D., who was assaulted by stock buyers answering their descriptions on April 19.

The girl was alone at her stepfather's farm when two men drove up to the house in a black truck. They assaulted her, forced iodine down her throat and left her gagged and bound to a chair.

The men arrested here gave fictitious addresses. Except that they were driving a green instead of a black truck, they are said to answer the description given by Miss Andrud of her assailants.

GIRL HELD AS HOSTAGE FOR A DEBT OF \$600

Charleston, W. Va., April 29.—(UP)—Armed deputies today prepared to penetrate the mountain fastness of Summers county to take by force, if necessary, a 12 year old girl, whose mother, Mrs. Mary Norvella Burrell, asserts she is being held as hostage for a \$600 debt.

The little girl, Edna Smith Burrell, has been living with her mountaineer guardians, a mother and four sons, in a rustic cabin for three years and it was not until her mother sought to recover her that she discovered the child was being held in virtual captivity.

FOUR DEAD AFTER PASSENGER TRAIN SPLINTERED CAR

Felton, N. J., April 29.—(UP)—Four members of the family of William B. Friedel were dead today after their small car had been splintered by a Pennsylvania railroad passenger train near here.

CLAIMS THAT CONGRESS HAS BEEN DERELICT

FAILED TO RE-ENACT APPORTIONMENT LEGISLATION

MRS. FLORENCE KAHN, CALIFORNIA CONGRESSWOMAN, MAKES CHARGES

By WILLIAM J. McEVROY
(United Press Staff Correspondent)
Washington, April 29.—Congress has been derelict in its duty by failing to enact re-apportionment legislation in accordance with the 1920 census, Mrs. Florence Kahn, republican, California, charged in her initial speech in the house today.

Making no provision for a new apportionment of representatives of house during the six years which have elapsed since the last census, Mrs. Kahn said congress "had failed to obey the specific duty placed upon it by the constitution."

Mrs. Kahn gave solemn warning that the shelving of reapportionment bills by the census committee may result in the next presidential election being thrown in the courts.

"The electoral college, following the next presidential election," she said, "will be based upon a census made 18 years before. In case of a close election this might be a very serious matter and might possibly be carried to court to decide the validity of the election or elect a candidate who under a different apportionment would have been defeated. This is neither impossible nor improbable."

"Why then should not a reapportionment have been passed?"

"The question is neither political nor sectional—republican and democratic states gain, northern and southern states lose. It is a constitutional mandate obligatory and binding—and it is our duty, as I see it, to obey this mandate."

OIL DRILLING TO START NEAR WILLISTON, N. D.

Williston, N. D., April 29.—(UP)—Drilling operations are expected to start soon on the Nelson anticline by the recently organized Ray Oil Company in Williams county.

More than 16,000 acres of land has been leased under oil options in the territory recently inspected by Dr. G. A. Leonard, University of North Dakota, according to officers of the company and drilling will be underway by June 15.

The company is incorporated with capital stock of \$200,000. Stock will soon be sold with approval of the state's Blue Sky commission, officers said. Incorporator of the concern are E. M. Jacobson, Ray, president; Dr. C. A. Wicklund, Ellidrose, vice president; O. M. Opdahl, Ray, treasurer, and G. M. Jacobson, Ray, secretary.

70 DEGREES AT ST. PAUL TODAY

St. Paul, April 29.—(UP)—Today was the warmest day of spring here. The temperature was 70 shortly after noon and the mercury continued to climb. It was 39 at 6 A. M.

NOT MORE BUT BETTER RAILROADS WHAT'S NEEDED

Milwaukee, April 29.—(UP)—"We do not need more, but need even better railroads," declared Fred W. Sargent, president of the Chicago & Northwestern railroad, in an address before the Milwaukee Association of Commerce.

Sargent in the course of his address expressed belief that within a short time trains will be operating between Milwaukee and Chicago in an hour's running time.

EFFECTIVE IN BRAINERD ON MAY 1 THIS YEAR

DISCOUNT OF 25 CENTS ALLOWED FOR PROMPT PAYMENT

PETITIONER SUBMITTED FIGURES ON OPERATING EXPENSES

Commencing May 1, this year, Brainerd pays higher rates for local telephone service. A discount of 25 cents is allowed where prompt payment is made. The decision of the Railroad and Warehouse Commission tilting rates is given in full, as follows:

In the matter of the application of the Northwestern Bell Telephone Company to change and increase its rates for telephone service at Brainerd, Minnesota:

Pursuant to notice hearing in the above entitled matter was held at Brainerd, Minnesota, December 1, 1925. E. A. Prendergast, General Solicitor appearing for the Northwestern Bell Telephone Company and D. H. Fullerton, City Attorney, appearing for the City of Brainerd. A number of subscribers of the company were present but offered no protest to the application.

The Northwestern Bell Telephone Company is a corporation, operating an extensive system of local telephone exchanges and toll lines within the state of Minnesota and adjacent states. The company operates what is known as a common battery telephone exchange in the city of Brainerd and as of December 31, 1925, served approximately 1890 town telephones and 22 rural telephones and also served 563 rural telephones on a switching basis.

The present main station rates in effect at Brainerd are as follows: Individual line business, \$3.50 month. Two-party line business, 3.00 month. Individual line residence, 2.00 month. Two-party line residence, 1.75 month. Four-party line residence, 1.50 month. Multi-party rural, 1.75 month. Rural switching, 6.00 annum. The schedule also includes rates and charges for other miscellaneous classes of service.

The petitioner seeks authority to place in effect the following main station rates:

Individual line business	\$4.75 per month gross
Two-party line business	4.00 per month gross
Individual line residence	2.75 per month gross
Two-party line residence	2.25 per month gross
Four-party line residence	2.00 per month gross
Multi-party rural	2.25 per month gross
Rural switching	7.00 per annum gross

A discount of 25 cents is to be allowed from the above gross rate each month in which the subscribers' entire account including any balance due is paid on or before the 15th day of that month, except that the rural switching rate is payable annually in advance with a discount of \$1.00 from the annual charge if paid within the first month of the twelve months for which the bill is rendered.

The schedule applied for also includes charges for other miscellaneous classes of service. The applicant submitted an appraisal of its Brainerd Exchange property as of October 1, 1925, in which the reconstruction cost new value as of that date was \$186,815.83 and the reconstruction cost new value depreciated was \$156,551.66. In connection with this appraisal the applicant set up as going concern value \$19,989.29 and required working capital of \$3,939.65. The depreciated value including going concern value and working capital amounts to \$180,480.60.

The local exchange property of the company constituting the Brainerd Exchange was carried on the books of the company as of December 31, 1923, at \$151,928.61 and as of December 31, 1924, at \$153,313.60. The average for 1924 being \$152,621.10. As of September 30, 1925, the property was carried on the books at \$154,471.60. The average for the nine months of 1925 being \$153,592.60.

The petitioner submitted statements of its operating revenues and expenses covering the Brainerd exchange for the year 1924 and for the (Continued on Page 4)

Number 2 will be entertained by Mrs. Carl Wright at her home, 793 N. 5th street.

Number 3 will be entertained by Mrs. Mahood at her home, 523 N. 5th street.

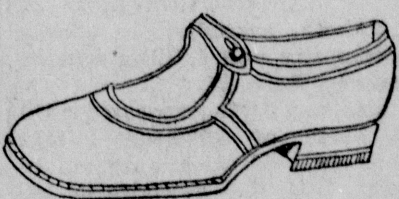

Number 4 will be entertained by Mrs. J. W. Stringer at her home, 707 N. 7th street.

Life's Golden Threads

Keep your heart free from hate, your mind from worry. Live simply; expect little; give much; sing often; pray always. Fill your life with love; scatter sunshine. Forget self. Think of others. Do as you would be done by—these are the tried links in contentment's golden chain.—M. I. McLeod.

No Substitute for Rubber

Chemists have been working for some time to produce a synthetic rubber, but it is safe to say that nothing has as yet been produced from any source whatever which is of commercial value in replacing crude rubber, nor do the best informed minds on this subject believe that the production of a synthetic rubber in commercial quantities is even in sight.

Our Childrens Department

is now filled with new Spring footwear.

Shoes that will wear and fit well.

At prices to suit any purse.

See our windows.

Mathiesen's Shoe Store

Vainly Serenaded Sweetheart
Minneapolis—After vainly serenading his sweetheart, Miss Laura Joerner, last night, Oren Brisbane, 20, attempted suicide under her window. The bullet entered his shoulder and he is expected to recover.

Despondent Over Death of Wife
Tyler—Despondency over the death of his wife is believed responsible for the suicide of Socen Jorgenson, who shot himself at his farm near here.

Police Search for Youthful Robbers

Minneapolis—Police are searching today for two youths, who robbed a home here of \$97 last night. They are believed to be 19 and 15 years old.

Timber and Brush Fires

Sioux Falls, S. D.—Two miles of timber and brush land on the east bank of the Missouri river burned last night. It was the second fire in this vicinity within two weeks.

ARRESTS MAN AT SALTA OF MURDER SUSPECTS

Buenos Aires, April 29.—(UP)—Several arrests are reported to have been made in Salta today as the police rounded up persons who may have been implicated in the murder of two Americans there, Charles Hettman of Wisconsin, and William Theisner of Leavenworth, Kas.

The murders were reported yesterday in messages received by the Standard Oil Co. here, of which Theisner was an employee. There has been no official confirmation of the murders.

Reports that the Americans were carrying a \$20,000 payroll are believed to have caused their deaths. The bodies were found to be pierced by several bullets, but small sums of money and jewelry had not been taken.

Buenos Aires, April 29.—The bodies to Charles Hettman and William Theisner, whose murder by bandits was reported yesterday, will be brought from Salta to Buenos Aires according to a message from Salta today.

It was believed the bandits who attacked Standard Oil stores there recently were the murderers.

Game of Business

New York—The game of business should be played just the same as the game of football, hard, clean and square, T. A. D. Jones, Yale coach, told 500 boys of the Wall street financial district.

Pigs Have No Place in Dining Room
Washington—Pigs have no place in a dining room, according to Health Officer Fowler, who ordered three small Jersey pigs removed from a food exhibit in a restaurant window. The proprietor threatened to go to court in support of his contention that the pigs were in their proper place.

"From Bad to Worse"

Fort Wayne, Ind.—H. D. Wyant feels qualified to define the phrase "from bad to worse." He punctured a tire, skidded into a telephone pole, broke his steering apparatus, killed his engine and finally was struck by an interurban car.

TAYLOR SALES SERVICE

Nut-Fed Porkers

The principal food of the wild or semi-wild pigs of Cuba is the palmiche—the nut of the royal palm. This nut is almost as rich in carbohydrates as corn in palm plantations, where sometimes thousands of pigs are turned loose, men and boys are employed to climb the palms and sever the clusters of nuts. Pork fed on palmiche is the favorite meat of all Latin America.

Dollar Bill's Short Life

Our paper money, although submitted to the severest kind of tests for wearing qualities, does not last long in circulation. Six months, it has been estimated, is the average life of the much-used dollar bill.

THE KNOT HOLE

No. 20 THURSDAY, APRIL 29, 1926 Vol. 1

The best spring tonic
A man can take
Is a forty foot garden
And a five foot rake.

We know a man
in this town who
thinks everybody
has it in for him.

Don't hit a man
when he's down,
unless you can
keep him down.

Anyway a man
is but a worm of
the dust. He
comes along, wiggles
about a while
and finally some
chicken gets him.

Maybe you're
hesitating about
building that new
home because you
are afraid of the
cost. It might
not cost as
much as you
think it will.
Come in and let's
"figger."

The very worst
Scotch joke: The
stuff the bootlegger
peddles.

Speaking of antique
furniture having a wonderful
history, how about the table at
home upon which
the personal messages of two great
men, Mr. Sears
and Mr. Roebuck

have laid for the
past 20 years.

In the spring a
carpenter's fancy
lightly turns to
thoughts of slivers
and smashed fingers.

Headline in a
trade magazine:
Will the Cellar
Last.

A girl has two
very good reasons
for or two very
good reasons
against knickers.

The American
idea of being
presented at court:
"Good morning,
Judge."

13TH MEETING IS 100 PER CENT

Tall Growling in Den if Any Lion
Had Failed to
Appear

ATTENDANCE CONTEST

Brainerd Club Tops List for 5th District, Leading 17 Clubs

There would have been some tall old growling in the Lions den last night at the Ransford hotel had any of the cubs not made their appearance at the 13th and final meeting of the local Lions club in their attendance contest, but as it was all the cubs were on deck to bring the honor to the club of 100 per cent attendance for the entire contest.

The Brainerd club tops the list for the fifth district which includes 17 clubs and in the International contest of 165 clubs, ranks 14th.

At the commencement of the contest the club was divided into two sides, the loser to sponsor a banquet at Breezy Point lodge in honor of the winners but since neither side lost, the members will have to pay their own way.

Last night's program included addresses by Clyde E. Parker, on his visit to the Minneapolis club; R. E. Wyatt, on his visit to the St. Paul club; President Ray Geist on "What 100 per cent Attendance Means to an Organization," and Michael Marea on the marl deposit possibilities for the district. Claude Jones rendered two solos.

GASOLINE PRICE RAISE

Jumps Cent a Gallon at Standard Oil Co. Filling Stations

Gasoline took a jump of one cent a gallon in Brainerd today, a similar increase being in force throughout the entire state.

Standard Oil gas today sold in Brainerd for 24.1 cents, and for the better grade 27.1 cents per gallon. Gas in the cities today sold for 23.2 cents and 26.2 cents per gallon.

Bride to be Given Shower

Miss Isabel Carlson, 408 S. 12th street, bride to be was given a shower last night at her home by 30 young people. Luncheon was served by Miss Lillian Norgard, Mrs. Vern Hoeft, and Miss Cleo Mayo. The evening was spent in games.

MRS. EMELINA ATE DIED

Mother of Mrs. Clyde Ate Passed Away at Age of 86 in Seattle

The death took place Tuesday in Seattle, Wash., of Emelina Ate, aged 86 years, mother of Clyde Ate, Brainerd. The funeral will be held in Wellington, Kansas, the date being arranged. Mr. and Mrs. Clyde Ate will leave Brainerd by car tomorrow to attend the funeral.

Mrs. Ate is survived by six sons and three daughters, three sons and one daughter at Seattle, two sons and two daughters at Wellington and Clyde, of Brainerd.

K. C. ATTEND

COMMUNION

Nearly 100 Members of Order Attend Mass at St. Francis Church in Body

COMMUNION BREAKFAST

District Deputy C. A. Ryan Acted as Toastmaster on Occasion

Nearly 100 Knights of Columbus attended the Communion breakfast of the Brainerd Council held on Sunday at the Ransford hotel. Many members from the Cuyuna range attended. The members first attended mass at St. Francis church and from there marched to the hotel.

C. A. Ryan, district deputy, acted as toastmaster. Grand Knight John J. Cumins was the first on the program of speaking and his remarks, were as usual, emphatic and to the point. He also announced that on Sunday, May 9, the local K. of C's would journey to St. Mathias to meet with the members there.

Rev. James Hogan next addressed the gathering pointing out matters towards which the organization should direct its energy and attention. He complimented the Knights on their attendance and urged a repetition of such a gathering each year. M. J. Mulligan state secretary of the order, also addressed the body and his vigorous and stirring delivery found favor with all. The announcement by the toastmaster that the genial secretary was a candidate for the office of state deputy for Minnesota brought forth a spontaneous outburst of applause.

The Nash-Finch Company through the courtesy of J. A. Holland donated the cigars for the occasion.

RANGE MASONS ANNUAL BALL

To be Held at the Crosby Armory on Friday Evening, May 7

SQUARE AND COMPASS CLUB

Fraternity of Masons of Crosby-Ironton and Deerwood Sponsors of Dance

Masons of the Cuyuna range will be hosts to friends from various parts of the county on Friday evening, May 7th, when they will hold their annual ball at the Crosby Armory. The affair is sponsored by the Square and Compass club, an organization of members of the fraternity from Crosby-Ironton and Deerwood, and plans now under way indicate that it will prove one of the big social events of the season.

Johnson's dance orchestra of Duluth, composed of members of the famous Shrine band, has been engaged to furnish the music, and dancing will be from nine o'clock to 1. The committee has announced that plenty of the old-time waltzes will be intermingled with the more modern Charleston tunes, so that those who have not stepped out to dancing parties for some time will find the affair equally enjoyable as will the young folks. Admission will be by invitation only.

The general committee which has been working hard to assure that the occasion will prove one long to be remembered, consists of Clyde M. Pearce, chairman; F. E. Perkins, Dr. E. T. Lee, and Holman I. Pearl, all of Crosby; T. S. Nyhus, Harold Bratvold, and Arthur Nelson of Ironton; and Fred Schwanke of Deerwood.

HIGHWAY DEPARTMENT

Bids Received for Building Maintenance District Shops, Etc., at Brainerd

Bids for the construction of maintenance district shops and office buildings for the department of highways at Brainerd will be received by the Department of Administration and Finance, State Capitol, St. Paul, up to 2 p. m., May 10, 1926.

Bids are also being called for the construction of similar buildings at Rochester, Bemidji, and Detroit, Minnesota.

DON A. FREEMAN IN CITY

Candidate for Congressional Seat, Renews Acquaintances in Brainerd

Don A. Freeman, republican candidate for nomination for congress, sixth congressional district of Minnesota, was in Brainerd today renewing acquaintances.

He is the owner of the St. Cloud Paper & Supply Co., and one of the public spirited citizens of St. Cloud. He expressed pleasure in seeing the Elks preparing to erect their new home.

NORTH LONG LAKE NEWS

Mrs. R. B. Thompson and daughter, Janet, called at Hughie's on Wednesday of last week.

The Farm Womens Improvement club met at the home of Mrs. Clarence Barr on Thursday. There were 14 women present and a very profitable afternoon was spent.

The neighborhood was aroused at midnight on Thursday just in time to check what might have been a very disastrous fire. Flames swept along the road east of Russell Lake for about three quarters of a mile fanned by a southeast wind. Men and boys hurried to the scene and soon had the fire under control. There had been a fire east of the road during the day and when the wind shifted during the night it was brought across. The people in the neighborhood are grateful to Providence for having saved them from the calamity which would surely have befallen them had not the flames been discovered when they were.

Mrs. Marian Caughey visited with

her daughter, Mrs. R. B. Thompson, over Tuesday of this week.

Miss Huntley went to Brainerd over the week end. She was accompanied by her friend, Miss Daisy Ferris of Duluth.

Lester Peterson of Brainerd visited his grandparents, Mr. and Mrs. C. J. Albertsen over the week end.

William Thompson has been unable to attend school this week because of illness.

There were thirty in attendance at Sunday school Sunday. Three of these were visitors. Let's see how high we can run our attendance!

Georgia Thompson was forced to remain out of high school on Wednesday because of illness.

THURSDAY, APRIL 29, 1926

RIVALRY IN TAX CUTTING

A DISPATCH subscriber wishes this editorial from the Minneapolis Journal re-printed. It is headed "Rivalry in Tax Cutting" and shows commendable competition among towns to cut tax rates. The editorial reads:

Before long there may be under way a spirited but friendly rivalry among States, and among cities, too, as to which can operate its government most thriftily. The signs all point that way. States and cities that want to grow and prosper are coming to see the pulling power of low taxation.

But the new vision is of most recent origin. While the Federal Government has been cutting operating expenses, the local governments, or most of them, have gone ahead increasing operating expenses. The favorite alibi of the tax-spenders, State growth and city growth, is not such a good one, as alibis go, for the Nation itself is growing as rapidly as most of its parts are growing.

The Federal lesson is beginning to sink in. Citizens are learning that efficiency and economy are not incompatible, that satisfactory government does not necessarily mean costly government. So there is real hope for the local tax reduction campaign, proposed to cover all sections of the Country, which is to be discussed, and possibly put in motion, at the annual convention of the United States Chamber of Commerce in Washington in May.

Time was when such a campaign could have been successfully denounced in certain political quarters as a scheme of the rich to cut the taxes on their own property at the expense of the poor. But professional tax-eaters can not get away with that kind of stuff any more. The spread of home owning has made direct property taxpayers of too many citizens.

These new direct taxpayers were contributing their full share to the public coffers in the days when they were renting homes. But they did not realize it, for the reason that the money passed through the landlord's hands. Even while they complained about high rents, they were not much interested in public economy. They did not appreciate how much they were affected by extravagance in city halls and state capitols.

This great increase in home ownership, and the Federal Government's successful cost cutting effort, are strong foundation stones in any comprehensive plan for reducing wasteful expenditures out of state and city treasuries.

OUR TELEPHONE RATES HAVE BEEN RAISED

FOLLOWING hearings conducted by the State Railroad and Warehouse Commission, at which Brainerd was represented, the commission has seen fit to raise the telephone rates at Brainerd, effective May 1st.

True, the discount allowed for prompt payment cuts down the rates a bit, but nevertheless it means more money to be paid out for local telephone service. As mentioned at Chamber of Commerce discussions held previously, the telephone industry differs from others insofar that increased service, extension of lines and telephones brings in its train higher rates. In other lines of business quantity production cuts down prices. For instance when Henry Ford increases production of cars, the price generally drops.

In reading the decision of the State Railroad and Warehouse Commission not a word is given of any opposition to increased rates. The Chamber of Commerce, the city council and the North-east Brainerd Improvement League, made some attempt to stave off a higher rate. That is all dismissed in this sentence of the opening paragraph of the decision, that at the meeting of the commission held at Brainerd December 1, "a number of subscribers of the company were present but offered no protest to the application."

All the figures presented were by the petitioning telephone company, and the conclusions as reached by the commission were adduced from such figures.

THE MILL DREAM

AUTHENTIC figures are at hand regarding the cost of operating the state owned mill at Grand Forks, North Dakota. This is one of the socialistic dreams undertaken by A. C. Townley and his collection of socialists in the Nonpartisan league.

From 1922 to the present time the state mill and elevator have accumulated a deficit of \$968,634.66. Of this amount a loss of \$143,723.53 has been incurred since January 1st of this year and \$58,232.06 in the month of March alone.

Nor is that the worst of it. The mill and elevator were built on the proceeds of one bond issue and have been in operation financed by another bond issue.

It may be recalled that seven years ago The Herald investigated some of these wild dreams of Mr. Townley's in North Dakota and exposed the folly of such experiments. Since that time every disaster predicted in this paper as a result of the League foolishness has come to pass.—Anoka Herald.

CHICAGO'S GANG WAR

THE most despicable, dastardly, cowardly warfare carried on in Chicago is waged by its gangs. The old days of western fights, when man faced man, and a fighter had an even chance have been done away with in the modern style where gangsters run a covered car alongside of their victim and pour out a machine gun fire. This isn't square fighting, if you must call it fighting. It's the most cowardly kind of assassination.

If a beer war leads to that kind of warfare, one may quickly see that the possible return of this beverage as a legal drink is greatly handicapped by the actions of a swaggering, murderous gang of bootleggers. The dispensing of liquor has always brought a train of evils as a concomitant. It just seems as though alcohol carries a taint somewhere.

E. P. SCALLON of Crosby has filed to succeed himself as representative from Morrison and Crow Wing counties. Mr. Scallon's record in the legislature is evidently approved by the voters. Returned at the last election with practically no opposition he bids fair to again represent the district without any serious trouble from an opposing candidate.—Little Falls Daily Transcript.

WE have read of all kinds of consolidations, bank mergers, baking combines, etc., but the newest thing to date is consolidation of counties to reduce running expenses.

BALLOON RACE
STARTS AT 5 P. M.NEW FREE BALLOON RECORDS
EXPECTED TO BE
MADE

Little Rock, Ark., April 29.—(UP)—Pilots entered in the national elimination balloon race, starting here at 5 P. M. today, anticipate a northeasterly route into Pennsylvania. It was announced in the early afternoon following receipt of a weather bulletin.

Ideal weather prevails and participants expect to set a new free balloon record, riding their course on a brisk breeze from the southwest.

CALCUTTA FACES
DANGEROUS PERIODARMED AND RUTHLESS GANGSTERS
MURDER AND
ROB

Calcutta, India, April 29.—(UP)—The most dangerous situation in the recent history of the British occupation of India exists in Calcutta today as armed and ruthless gangsters take advantage of the religious disorders to murder and rob.

Conditions in the city are appalling. Decaying filth litters the streets of the native quarter, presenting a serious threat of epidemic disease, which would find city hospitals already filled with persons wounded in street fighting.

The detail of troops to assist the police in restoring order has done much to revive public confidence.

WISCONSIN
PROGRESSIVES
IN CONFERENCE

Madison, Wis., April 29.—(UP)—Wisconsin progressives in congress at Washington held a conference there on the day before Sen. Robert M. LaFollette started for his home state to take part in political conferences surrounding the special session of the state legislature, according to an article which will appear in the Wisconsin State Journal today.

"The purpose of the gathering," says the Journal article, "at which only eight of the 11 representatives were present with Sen. LaFollette, was to give the senator some sort of authentication for an arrangement including Gov. John Blaine and Attorney General H. L. Ekern."

DAUGHTER OF
AMBASSADOR
BREAKS COLLAR BONE

London, Eng., April 29.—(UP)—Mathilde Houghton, daughter of United States Ambassador Alonzo B. Houghton, suffered a broken collar bone today in an accident in Hyde Park. Miss Houghton was riding along the fashionable Rotten Row bridle riding way when her horse bolted, throwing her to the ground. At the embassy the United Press was informed that Miss Houghton was progressing splendidly and that no other injuries had been suffered.

There were many inquiries at the embassy as Miss Houghton is popular in London society.

SAYS PROSECUTION
NOT CARRIED ON
IN GOOD FAITH

Washington, April 29.—(UP)—The department of justice and the federal trade commission did not prosecute the case against big baking concerns in good faith, Senator LaFollette, republican, Wisconsin, said in the senate today.

LaFollette announced he would shortly press for adoption of his resolution authorizing a senate investigation of the recent baking merger, saying, "I intend to go to the very bottom of this and expose the extraordinary record of duplicity which has characterized the attitude and actions of the department of justice and federal trade commission in this case."

REMOVE OPEN
SAFETY PIN FROM
GIRL'S THROAT

St. Paul, April 29.—(UP)—Three year old Julia Barringer is recovering today from an operation to remove from her throat an open safety pin, after a race from Billings, Mont.

The operation was performed at St. Luke's hospital by Dr. William Lereche, aided by Dr. Ferris Arnold of Billings.

The girl arrived at 7:40 a. m. on a Northern Pacific fast train, accompanied by her mother and Dr. Arnold. At the depot the party was met by H. S. Barringer, the father, who had been at Lansing, Mich., attending his mother, who is seriously ill.

TELEPHONE RATES
IN BRAINERD ARE
LARGELY INCREASED

(Continued from Page 1)

first nine months of 1925. The operating statement for the year 1924 after depreciation and taxes have been provided for shows a loss of \$125.46. The operating statement for the first nine months of 1925 after depreciation and taxes have been provided for shows a loss of \$421.81.

If the rates petitioned for had been in effect during the year 1924, the net income available for interest, dividends and surplus would have been \$7,163.48 or a return of 4.69% on \$152,621.10, the average book cost of the property for the year 1924. If the rates petitioned for had been in effect during the first nine months of 1925 for which period an operating statement was presented, the net income available for interest, dividends and surplus would have been \$4,792.01 which projected to an annual basis would amount to \$6,389.35, amounting to a return of 4.15% on the average book cost of \$153,892.60 for the nine months period, and if the allowance for working capital of \$3,939.65 is included bringing the figure to \$157,832.25, the return would be 4.04%.

Thin Men
Skinny Men
Run Down Men
Nervous Men

You're behind the times if you don't know that Cod Liver Oil is the greatest flesh producer in the world. Because it contains more vitalizing vitamins than any food you can get.

You'll be glad to know that Cod Liver Oil comes in sugar coated tablets now, so if you really want to put 10 or 12 pounds of solid, healthy flesh on your bones and feel well and strong—ask H. P. Dunn, Johnson's Pharmacy or any druggist for a box of McCoy's Cod Liver Oil Compound Tablets.

Only 60 cents for 60 tablets and if you don't gain five pounds in 30 days your druggist is authorized to hand you back the money you paid for them.—Advt.

Applying the estimated net income of \$6,389.35 to the reconstruction cost new value depreciated and including the amounts above referred to for working capital and going concern value, making a total of \$180,480.60, the return would be 3.54%.

Upon review of the facts the Commission finds that the present rates are unreasonable and that the rates petitioned for are fair and reasonable and will not yield more than sufficient revenue to provide for the necessary operating expenses, depreciation and a reasonable return upon the fair value of the property for the intrastate use thereof.

IT IS THEREFORE ORDERED, That the Northwestern Bell Telephone Company be, and the same is hereby permitted to place in effect as of May 1, 1926, at its Brainerd, Minnesota exchange, the schedule of rates as applied for.

By the Commission,
Thos. Yapp,
Secretary.

Dated at St. Paul, Minnesota, this 15th day of April, A. D. 1926.

MANY CANDIDATES IN
7TH CONGRESSIONAL
DISTRICT, 5 FILINGS

St. Paul, April 29.—(UP)—The seventh Minnesota congressional district has five candidates for the republican nomination for representative today, with the filing of E. E. Howard, Wheaton. The four already filed are: Louis Benchoff, Detroit; C. G. Selvig, Crookston, Marius Walsdal, Pimner, and F. H. Peterson, Moorhead.

SLEEP ALL NIGHT
NOW

Says Pennsylvania Man, Not Bothered by Bladder Weakness at Night
A. C. Smith, 41 W. Broad St., Bethlehem, Pa., says, "I now rise in the morning refreshed and feeling fine. Will gladly tell my experience by words or letter. Getting up nights for bladder trouble is nature's warning of danger ahead. Lihlated Buchu cleanses the bladder as epson salts do the bowels, driving out abnormal deposits, neutralizes excessive acids, thereby relieving the irritation which causes getting up nights. The tablets cost 2 cents each at all drug stores. Keller Laboratory, Mechanicsburg, O. Johnson's Pharmacy, —Advt.

TEMPERANCE ESSAY CONTEST

Conclusion to be Held at High School
Auditorium Tomorrow
Evening
PRIZE WINNERS GIVEN

Interesting Program of Music and
Addresses—Large Audience
Expected

Conclusion of the Scientific Temperance Essay contest will be held tomorrow evening at 7:45 o'clock at the high school auditorium. The program follows:

Patriotic medley—Mrs. H. Olson and H. A. Mass.

Invocation—Rev. Damen.

Singing—Audience.

Automobile story—Doris Hyatt, Riverside.

A letter to John—Louise Klusman, Lincoln.

Franklin's Experience with Beer—Alice Masters, Lowell.

A Dialogue on Temperance—Evelyn Grimstad, Whittier.

Vocal solo—Mrs. Nesmith Nelson.

Prohibition, Alcohol and its drinkers—John Lowey, Freshman.

Harm of Alcohol before Prohibition—Carl Moxe, sophomore.

Preparation for Life Work and Tobacco—Raymond Anderson, junior.

Tobacco Smoking—Alice Oleson, senior.

Piano solo—Kathryn Albright.

Address—Rev. N. P. Olmsted.

Awarding of prizes—Mrs. Morris L. Eversz.

America—Audience.

Benediction.

The prize winners are:

Seniors—First, Alice Oleson. Second, Margaret Helgeson.

Juniors—First, Raymond Anderson. Second, Verne McNamara.

Sophomore—First, Carl Moxe. Second, Dale Sanders.

Freshman—First, John Lowey. Second, Evelyn Swanson.

Eighth grade—First, Evelyn Grimstad. Second, Lorraine Enmark, Harrison.

Seventh grade—First, Alice Masters, Lowell. Second, Ruth Nicholson, Whittier.

Sixth grade—First, Louise Klusman, Lincoln. Second, Edith Daugherty, Lincoln.

Fifth grade—First, Doris Hyatt, Riverside. Second, Francis Peterson, Whittier.

The judges are, grades, Professors J. A. Wilson, Mrs. L. B. Kinder, and

Mrs. Ryland Erickson; high school, Professor J. A. Wilson, Mrs. R. E. Cody, and Mrs. Frank Kelly.

BOSTON SOX SEE HIGHER POSITION

Recent Deals Expected to
Improve Standing

Bolstered in the infield and catching departments by several deals, the Red Sox have higher hopes of success than they had last season, when the club trailed the American league pack.

Among the infield prospects are Emmett McCann, obtained from Portland of the Pacific Coast league; Ramon Herrera, Cuban star, who displayed his ability at the keystone bag in the closing part of the 1925 campaign, and Fred Haney, late of Detroit.

The battle for infield positions centers about second and third bases, for Phil Todt at first and Dudley Lee at short, last year's regulars, are favored to retain their jobs. Herrera, if he meets expectations, likely will get the keystone portfolio in preference to McCann or Bill Rogell, a regular most of 1925. Haney will have a rival for the third base post in Chet Fowler, drafted from Minneapolis.

The backstopping brigade has been strengthened by the acquisition of Alex Gaston, formerly of the Giants from Toledo. Piechich, Biscoff, Stokes and Bill Moore, Kansas City product, are other receivers available.

The Red Sox have their veterans, Elmke, Rydberg, Wingfield and Zahniser as a nucleus for a pitching staff. Delmar Lundgren, right-handed pitcher, has been drafted from the Birmingham club of the Southern association.

The outfield is well fortified with Flagstead, Carlyle, Rosenthal and Jenkins, besides two rookies—Elton Langford, who was bought from Des Moines, and D. W. Shaner, purchased from Lincoln.

British Amber

Amber is found along some of our shores, particularly in winter time after heavy seas, but you are not likely to find very much nowadays. It has always been highly prized, and amber necklaces were among the earliest mascots. Julius Caesar himself exacted from Britain payment of a certain amount of amber every year.—London Tit-Bits.

Origin of Parole

The parole is of military origin. It was a pledge of honor given by prisoners of war that if released they would not take up arms again against the country granting the authority.

Honors "Nibs" Price

The associated students of the University of California have selected Clarence "Nibs" Price to the position of head coach of the University of California to fill the vacancy caused by the death of Andy Smith. It is stated that Price was given a three-year contract at \$9,000 per year.

Stiles Re-elected Jewelers' President

St. Paul—E. J. Stiles, Wells, was re-elected president of the Minnesota Retail Jewelers' association at conclusion of the annual convention here yesterday. This is his fourth consecutive term.

HEDDA HOYT TALKS ABOUT THINGS THAT INTEREST THE BUSY WOMAN OF 1926

THE SPRING BRIDE

New York, April 28.—(UP)—Everything has been done to make home dressmaking simplified. Patterns are so perfect nowadays that one can't go wrong using them providing one has one's correct size. Nevertheless, women who do their own sewing often do go wrong and simple frocks are botched because women do not always know the simple rules which should be followed—rules other than those of cutting.

In making a dress one should always run a basting thread down the center front and center back of the material to prevent the dress from becoming lopsided. Always run a basting thread about the pattern so that you will have the exact pattern outlined while fitting. Allow at least an inch beyond this thread if you are not familiar with your pattern so that you are certain to have enough material.

It is best to finish the shoulder seams and neck line before putting in sleeves. The hanging of the skirt should be done last. Where the material is cut circular, that is where the hem is to be a circular one, hang the dress over a figure a day or two so that it can sag a bit before you finish your hem.

The most difficult material to work on is chiffon or other flimsy fabric. Only the expert should attempt a chiffon frock, particularly, if the skirt is to be circular.

In sewing buttons on a frock place a pin across the top of the button and sew over this since buttons do

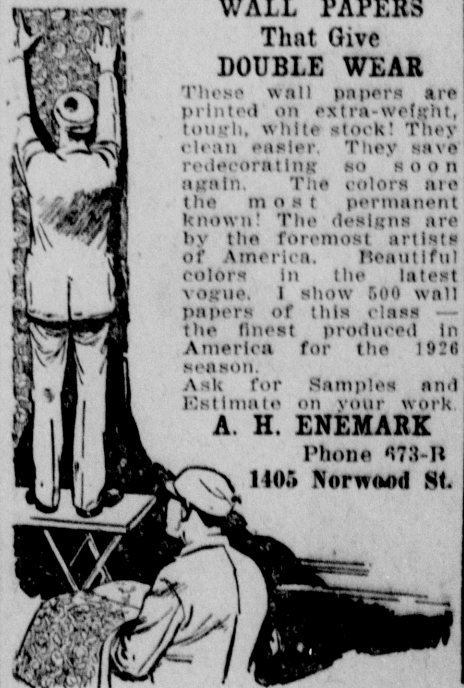

not look well when sewed too tightly to the material and one can not sew them loosely and evenly without placing some small object on the button.

Each seam should be pressed as soon as one is certain that it is correctly stitched. A skirt should never be hung until the side seams have been pressed.

The hemstitching machine has done much towards taking the home-made look away from home-made frocks.

Three Noted Child Actors Appear in "Mike" With Sally O'Neil

Playing in Marshall Neilan's production of "Mike," which is coming to the New Park theatre on Friday, Saturday and Sunday, are three of the screen's most famous children.

WALL PAPERS That Give DOUBLE WEAR

These wall papers are printed on extra-weight, tough, white stock. They clean easier. They save redecorating so soon again. The colors are the most permanent known. The designs are by the foremost artists of America. Beautiful colors in the latest vogue. I show 500 wall papers of this class—the finest produced in America for the 1926 season.

Muriel Frances Dana, Frankie Darro and Junior Coghlan.

Muriel Frances Dana got her start in pictures by dancing in a prologue at the Million Dollar Theatre in Los Angeles. She was only four years old at the time, and her unusual talent was recognized by all who saw her. She was soon given a part in the Thomas Ince production, "Hail the Woman," and since that time has been constantly working before the camera.

"The American Venus" Hailed as Most Sumptuous Screen Production of the Year

One of the most widely publicized

and eagerly awaited screen productions will be unfolded to local moviegoers tonight when Paramount's magnificent beauty-comedy-spectacle, "The American Venus," begins a two days' run at the Lyceum theatre.

This is the photoplay that has the recent Atlantic City bathing beauty pageant for its colorful background, and which includes in the personnel of its cast Fay Lanphier, who was crowned "Miss America," several of the leading national beauty contestants, twenty of the loveliest mannequins in America, to say nothing of a brilliant group of film and stage favorites, headed by Esther Ralston, Lawrence Gray and Ford Sterling.

GOLF RANKS HIGH AT BREEZY POINT

HERBERT CRUMMY TO BE THE GOLF PROFESSIONAL

10,000 LAKES GOLF TOURNAMENT
TO BE HELD IN
AUGUST

\$500,000 LAND DEVELOPMENT
PROJECT LAUNCHED AT
LODGE

Appointment of Herbert A. Crummy as golf professional at Breezy Point Lodge and announcement of the dates for the 1928 Ten Thousand Lakes Golf Championship tournament at the Breezy Point links were made public yesterday. Crummy formerly was a golf professional at Bemidji and St. Cloud and went west to Los Angeles with Tom Stevens as assistant professional at the California Country club three years ago. He has remained in California ever since, as instructor and in charge of the golf department at the Tufts-Lyon store in Los Angeles. Crummy will report at Breezy Point on June 1st and will return to Los Angeles the middle of September. He is a brother of Willard Crummy, professional at the Northwood Country club in St. Paul.

The Ten Thousand Lakes Golf Tournament at Breezy Point—both men's and women's—will probably be held August 21st, 22nd and 23rd. As the state tournament is scheduled for August 2nd, there will be plenty of time in between the state tournament and the Ten Thousand Lakes for both the State Open and the Alexandria tournament. Last year Lester Bolstad won the men's Ten Thousand Lakes championship, defeating Roscoe Fawcett in the finals, and Mrs. Ralph Little won the women's championship. Bolstad also won the State Links championship last year and was runner-up to Harrison Johnston in the state championship. R. C. Lilly, Somerset, St. Paul, won the Ten Thousand Lakes tournament in 1924 and Mrs. Ralph Little won the women's championship.

Breezy Point also plans a stroke competition of some sort for July 4th and 5th.

A half million dollar land development project is being launched at Breezy Point this summer and planning engineers who are now subdividing the property are staking out an additional nine holes. Work probably will begin on the additional nine holes in mid-summer so that by next summer Breezy Point will have an 18-hole golf course. The present course is only 9 holes in length but is a 3100 yard course. That it presents many difficulties is attested from the fact that Walter Hagen's score of 78 at Breezy Point last summer was the poorest he made on his entire trip of nearly two months. Another 18-hole golf course is being constructed on Gull Lake between Brainerd and Breezy Point. The course was laid out by a Kansas City golf engineer last fall and the greens were planted with bent stolons early last October. Bemidji's second nine holes should be in good shape this summer so that tourists and Minnesota people will have plenty of opportunities to enjoy their favorite game on their jaunts thru the north pine woods from now on. It is not believed that the Northland Country club of Duluth will hold its annual invitation tournament this fall as the new Duluth course probably will not be in shape for tournament play until 1927.

Watching the Scoreboard

Yesterday's Hero—Felix, Brooklyn's outfielder, singled in the ninth inning and drove in the run that beat the Braves 5 to 4.

The Yankees, after being held scoreless through seven innings, knocked Lefty Groves out of the box in the eighth and beat the Athletics 3 to 0.

The Indians knocked Jannard out of the box and flopped the Browns 7 to 3.

Jack Wisner, one of McGraw's rookie pitchers, made his first start of the season for the Giants and stopped the Phillies by a score of 5 to 2.

O'Farrell's homer in the ninth inning with one on enabled the Cardinals to beat the Reds 5 to 3.

Thomas, one of the young White Sox pitchers, issued nine passes and hit one batter but the Tigers could not hit him and lost 9 to 5.

Heavy hitting in the plunches coupled with Kauffman's wildness gave the Pirates a 9 to 5 victory over the Cubs.

The Senators gave Wiltse, a rookie pitcher, a fine belting and beat the Red Sox 5 to 2.

While northern circuit clubs of the American association moved southward no games were scheduled for yesterday.

TENNIS HEADS SORELY PUZZLED

JACK MCCARTHY

158 pound Hill City wrestling champion who will meet Tony Marcony in a match tomorrow night at Gardner's Hall. McCarthy has a good reputation as a wrestler of unusual ability.

BALLY-HOO A DESIRABLE AGENCY

By HENRY L. FARRELL
(United Press Sports Editor)

New York, April 29.—From a showman's point of view the bally-hoo is the most desired agent in selling either peanuts or baseball to the public.

Barnum made millions in exploiting Jumbo, the biggest elephant in captivity, and the New York Yankees built the biggest baseball stadium in the world on the trade drawn by Babe Ruth, the greatest baseball slugger in the world.

As long as Jumbo retained his dimensions and as long as the Babe kept his siege gun working the investment in the manufacture of the bally-hoo returned dividends one hundred fold.

The bally-hoo always will last as long as the subject delivers and there is even compensation when the razzberry chorus goes to work.

The crowds that flocked to see Babe Ruth ride a ball out of the park take almost as much delight and they turn out in numbers almost as large to give the Babe the berry when he fans. From a business point of view anything serves well that draws the customers but to a manager of a team of athletes who is trying to build a winner, the bally-hoo sometimes delivers a kick-back in the face from which there is no recovery.

The New York Giants had a sorry experience with Jimmy O'Connell who rode into the big leagues from California bally-hooed as the most expensive youngster in baseball. O'Connell was so awed by the task of living up to a reputation that he was a complete failure. The Athletics had the same experience with Lefty Groves, a \$100,000 pitcher. Groves wasn't a total flop but he is just beginning to respond to two years of careful treatment to get him into the mood of being just a pitcher and not Lefty Groves, a \$100,000 beauty. There was also that ancient example of Rube Marquard, who became a great pitcher when the fans forgot about him.

There was great interest in the Yankee training camp to see what success Babe Ruth would have in his attempt to stage a comeback and it was pointed out that Buster Gehrig and Tony Lazzerri, the home run king of the minor leagues, would spur the Babe on.

"I think the presence of the Babe on the club will work more of a benefit at the start to Lazzerri than any threat of Lazzerri might have on the Babe," Miller Huggins, manager of the Yankees, said.

He expressed the opinion if the Babe got away to a fast start, the fans wouldn't pay so much attention to Lazzerri and Mark Koenig and that any nervousness attending the bally-hoo given to these high priced youngsters might be removed.

"On the other hand," he explained, "if Lazzerri and Koenig make good from the jump and Babe doesn't get started so well, it may work to the benefit of the Babe. The fans will not be watching him so closely and he will get a chance to work in peace. He is a sensitive big fellow and he tries too hard when the stands are all watching him."

Lazzerri and Koenig made good and, just as Huggins predicted, the failure of the Babe to get a good start was overlooked and he may profit by being only a member of a slugging team of colorful players instead of the bell-cow of a rather drab team as he was for so long.

Red Grange was a great subject for a bally-hoo because he always delivered on the college field when the going was the hardest. Grange did his best work for Illinois when eleven men on the other side of the line had been ordered to stop him at all costs. He didn't do quite so well on the professional field but he did well enough to make plenty of money.

Georges Carpentier always has been a good subject for the bally-hoo. Despite the fact that he has won only one fight in this country he is matched for a good shot in Tex Rickard's new Garden and is considering several offers for better money than a first class American fighter can command.

Carpentier can still be bally-hooed as the Georges Carpentier and the gentleman of the ring and that is the rep that he has cashed in on.

LOCKE TO MAKE ANOTHER TRY

COACH SCHULTE CONFIDENT HE IS FASTEST HUMAN RACER

Lincoln, Neb., April 19.—(UP)—Roland Locke, Nebraska dash star, who clipped off the 100 yard dash in an unofficial 9 5-10 seconds last week in a dual meet between the University of Nebraska and the University of Missouri.

"Locke will break the record," Coach Schulte of the Nebraska team, said today. "I am confident he is the fastest human in the world."

University authorities are planning to have official A. A. U. scorers here to catch Locke's time as he completes the century.

CONCERNS THE ENTRY OF Mlle. SUZANNE LENGLEN

APPLICATION MADE TO BRING
FRENCH TENNIS QUEEN
TO THE U. S.

EXPECTS TO PUT ON A SUMMER
SERIES OF EXHIBITION
MATCHES

By HENRY L. FARRELL
(United Press Staff Correspondent)

New York, April 29.—Officials of the United States Lawn Tennis association are frankly puzzled over a problem attending the application for permission to bring Mlle. Suzanne Lenglen, French tennis queen, here this summer for a series of exhibition matches.

C. C. Pyle, business manager of Red Grange, told the association he had signed Mlle. Lenglen to a movie contract and would like to get a permit to arrange an exhibition tour under the auspices of the association.

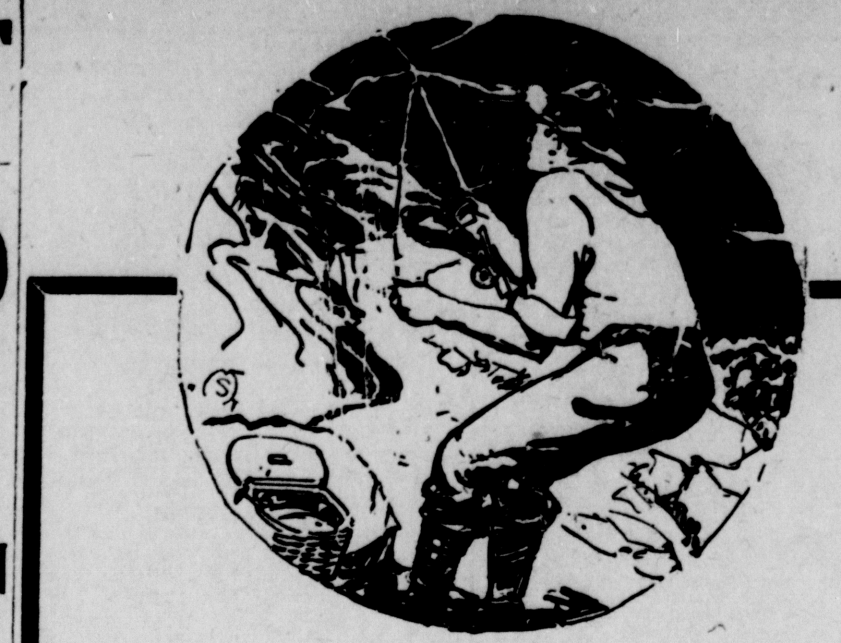

He was told that he would not need permission to bring her to this country any more than Helen Wills, American champion, needed official approval for her trip to France.

Pyle said he preferred to co-operate in every way with the association to protect the French star from any complication that might arise. He was told that the association would consider the application at the next meeting of the advisory committee.

If Mlle. Lenglen would consent to engage in any championships, the association would jump at the chance to sponsor her second invasion of the United States, but Pyle said she did not care to engage in anything but exhibition matches.

If the association accepted these terms there would be the attending obligation to get opponents for her and the officials feel that Helen Wills and Molla Mallory are the only Americans equipped with a game to test her.

There also would be the problem

What do you say we go trout fishing?

All you supply is a few ticks of your watch—we'll furnish the stream, the tackle and the bait—and show you where the speckled beauties are—

If the beauty of a shirt can be compared to the beauty of a trout we should be receiving the regulation fee of \$5 a day for steering you into such an Isaac Walton dream of Heaven!

New Broadway Spring Shirts with collars
attached or collars to match—
\$1.50 to \$9.00

Still a few pair of Goodyear welt dress shoes and
oxfords for less than work shoe prices. Only \$3.45.

John M. Bye Clothing Co.

of dividing the receipts and there is no precedent to follow in the whole case.

"This is something new to us and we will take no action until we are thoroughly familiar with all the details," one of the officials said today.

Some of the officials feel that Mlle. Lenglen is duty bound to compete in the national championship if she comes to this country as American players have always contributed to the success of French tournaments.

ROBIN IN TIE WITH THE REDS

New York, April 29.—(UP)—After winning four games in a row, the revived Brooklyn Robins moved into a tie with the Cincinnati Reds for second place in the National league. The New York Giants are still out in front. The Yankees and Indians are locked for first in the American league and the White Sox and Senators tied for third place.

Names you should know

You like to know names that everybody knows—name of the man who tied lightning to a kite; name of the man who watched a tea kettle and went out and made an engine. Just knowing such names gives you pleasure.

Yet there are names that thousands of people know that can give you much more pleasure in a much more personal way. Names that stand for the best things to eat, to wear, to sleep on, you can buy. Names that if connected with the salad dressing, hat, mattress you select—or any other desirable thing you select—mean it is most desirable. Names written large in advertisement. Advertisements tell why those are wise names for you to know. Why such names greet you in the best groceries, department and hardware stores. Why those names are in the buying vocabulary of thousands . . . are believed in by thousands . . . justify belief!

Read the advertisements. Don't ask vaguely in a store for "cold cream," "a skillet," "a vacuum cleaner." Ask for So-and-So's Cold Cream, So-and-So's Skillet, So-and-So's Vacuum Cleaner. Use the names, you have learned through advertisements, that stand for the product that means most to you and most to most everybody.

Read the advertisements to know

TO CELEBRATE ADVENT OF PAVING

Initial Steps Taken at Chamber of Commerce Meeting Held

DATE EARLY OCTOBER

To Mark Completion of Cement Highway, Belle Prairie to Brainerd

Initial steps were taken last night by the Chamber of Commerce at a regular meeting in the Chamber rooms towards the planning of two receptions for visiting delegations and a gala celebration on or about October 1, when paving will be completed on the trunk highway from the Twin Cities to Brainerd.

On May 16, a tour of at least 50 cars from Arrow Head, northern Minnesota, North and South Dakota, and Manitoba districts will arrive to spend the night here on their round trip from Winnipeg to Duluth, Fort William and Port Arthur. The trip has been organized for the purpose of publicity and a cooperative effort in the development of the tourist industry in these districts. The matter was referred to the president, R. R. Gould, the Convention and Entertainment committee and Mayor Cain, to meet for the purpose of discussing a fitting reception and entertainment.

On November 11, 12, and 13, Brainerd will be the meeting place of between 200 and 300 boys for the Y. M. C. A. Older Boys Conference, as reported by George E. Lowe. The matter will be taken up at a later meeting.

City Engineer R. T. Campbell reported that on or about October 1, the date being at present not known, the paving will be completed on the Trunk Highway from the cities to Brainerd, and suggested that at that time some fitting celebration should be given. He recalled the celebration in 1922 at Little Falls when the hard surface paving was completed to there.

"When the road is completed to here," Mr. Campbell said, "Brainerd will then be the terminus of hard surface paving from the cities, because it is not likely that the work will be continued farther north for a few years. Brainerd has been looking forward to this event for five years and they should get behind a big celebration."

Suggestions were made that invitations be extended to the American Legion, Farm Bureau, City Council, and other city organizations to work with the Chamber of Commerce in the preparation of the celebration.

A committee will be appointed to invite the principal officers of the state in the highway department to attend the celebration.

Report received from the map committee of which Walter M. Murphy is chairman showed that rapid progress was being made, and that the lakes and roads were already completed on it. The suggestion was made that County Agent E. G. Roth write material for the pamphlet on agriculture in the county of Crow Wing.

Mr. Murphy also reported that distances from the more important cities to Brainerd were also included on the map.

In a letter from an Iowa Woolen Mills, regarding locating their factory in the old court house of Brainerd stated that the present size of the building was not large enough to accommodate their needs. They asked however for suggestions of other locations in the city that might fill their requirements. The letter stated that they were at present using between two million and three millions pounds of wool each year in their production. Should Brainerd be fortunate enough in securing this industry the city would then be a favorable center for wool market trade.

Dimensions required for the factory are 72 ft. wide, 120 ft. long, a two story building with an 11 foot basement.

The matter was referred to the board of directors for action.

A letter was read from A. B. Smith, St. Paul, general passenger agent for the N. P. railway regarding the reduced railway rating from St. Cloud to the cities, and the request that reduced rates be made from Brainerd to the cities. The letter stated that the reduced rates from St. Cloud to the cities was put in effect on May 10, 1925 as an experiment but the experiment had not proved a success. The result will be that regular rates will again be made from St. Cloud to the cities in the near future. The letter, however, stated that reduced rates would be made from the cities to lake resort districts for the summer and Brainerd would be included in the list.

A reply to a letter for information was received from the Little Falls Chamber of Commerce in which the Chamber there received an appropriation of \$1,000 from the county for the purpose of advertising the resources of Morrison county. A resolution was passed that the Brainerd Chamber of Commerce see what could be done in Crow Wing county towards the advertising of the county's resources and

what help could be received from the county board and the city.

A resolution was passed authorizing the secretary to purchase two volumes on power rates and tax rates for the State from the League of Municipalities for the record of the Chamber.

R. L. Geist, president of the Brainerd Lions club asked the support of the Chamber in regard to the proposal of holding the annual convention of the Lions' clubs of Minnesota, North Dakota, South Dakota, and Manitoba. He stated that this year the convention was being held in Winnipeg on June 14 and 15 at which time the local delegates would make a bid for the convention to be held here next year, providing adequate support was given by the Chamber and other organizations operating with the local Lions.

W. M. Murphy reported that R. J. Kirk, assistant chemist at the University of Minnesota was experimenting on the possibility of utilizing marl as a commercial fertilizer. Marl beds are numerous throughout the district.

The Chamber went on record favoring the proposed change of Truck Highway No. 2, as routed through West Brainerd and doing away with two railway crossings and notices of this action will be sent to the county commissioners, highway department and the city council. The matter was left in the hands of a committee composed of W. M. Murphy, R. T. Campbell, and D. H. Fulterton to draw up a resolution.

John A. Hoffbauer, chairman of the Convention and Publicity committee asked the support of the Chamber in the furnishing of cars to take the delegates of the Congressional convention to be held here May 11, 12, and 13 on a tour of the city and surrounding beauty spots.

E. H. JONES GOES OUT OF BUSINESS

Dry Goods and Millinery Store in Jewel Block Discontinued by Owner

MRS. JONES MANAGER 15 YEARS

Health Has Been Failing and Will Go to Her Farm to Regain Same

The Ernest H. Jones, dry goods and millinery store at the corner of Laurel and Seventh streets has permanently gone out of business and the shop is now closed for the purpose of finding a buyer.

Mrs. Jones who was manager of the store which has been in business for the past 15 years in Brainerd, formerly at 614 Front street, has moved to their farm on Oak street in Oak Lawn township where she will nurse back her health which has been failing.

Mrs. Jones previous to her affiliations with the Jones dry goods store was employed by L. M. Koop who operated a store in Brainerd for ten years.

Moyer-Johnson
The marriage took place Thursday, April 22, at the First Presbyterian church manse, Rev. Alexander G. Patterson officiating, of Ida Johnson attended the bride while Philip M. Moyer was best man. The couple will make their residence in Brainerd.

M. E. Church School
The Adult department of the Methodist Sunday school will hold its regular business and social meeting, Friday evening at 8:15 in the church parlors.

WOMEN TO GET OUT THE VOTE

Mrs. Robert Nichols, Chairman New Voters, Perfecting Active Organization

AT ENTHUSIASTIC MEETING

President Coolidge Appeal to D. A. R. Women Read by Chairman

Mrs. Robert Nichols, the new League of Women Voters' chairman of New Voters, is perfecting a splendid organization among the young women of Brainerd for getting out the vote of the younger generation at the coming primaries.

At an enthusiastic meeting held at the Mons Mahlum home Tuesday evening, all wards were well represented except the first. Plans were made for holding mass meetings, having speakers at women's meetings, and doing house-to-house solicitation in certain sections.

President Coolidge's appeal to the D. A. R. women was read by the chairman, who commented upon the fact that the president evidently believed that an emergency had arisen that called for services as patriotic and unselfish as those rendered by such women as Hannah Arnett, Mollie Pitcher and others who helped achieve American Independence. If our government is to retain its democratic character, the people must exercise the franchise. The present apathy, especially toward the primaries, where candidates are chosen, must be overcome. As President Coolidge has well said: "If we are to maintain the principle that governments derive their just powers from the consent of the governed, if we are to have any measure of self-government, if the voice of the people is to rule, if representatives are truly to reflect the popular will, it is altogether necessary that in each election there should be a fairly full participation by all the qualified voters."

The principal points made by Frank Kent on the importance of the primary election in his book "The Great Game of Politics" were reviewed by Mrs. Nichols and practical suggestions were given the committees from the different wards in the shape of "talking points," which were carefully noted down. In short, an effective working organization was perfected, which ought to show decided results in an increased women's vote at the June primaries.

Card of Thanks
We wish to thank our friends and neighbors for their kindness shown to us in the death of William A. Clark, particularly the Modern Woodmen of America, B. A. of R. E., R. N. of A. I. A. of M., Boys of the Tool Room.

MRS. ROSE D. CLARK.

NOTICE

There are many who have not complied with the ordinance in regard to securing dog licenses. Ordinance No. 195, as amended by Ordinance No. 293, provides a penalty of not less than \$5.00 or more than \$10.00 for failure to secure license.
E. T. FLEENER,
27712eod City Clerk.

HEALTH DAY ON MAY FIRST

Advertising to Brainerd That Health is Necessary Qualification For Community Welfare

EXHIBITS IN STORES

Educational Parade to be Held on Saturday Afternoon

Advertising to Brainerd that health is the necessary qualification for the welfare of any community and especially promoting of health among the younger generation, school children of both city and district will congregate in Brainerd, Saturday, May 1, which has been designated as Health Day.

In honor of the occasion many stores have already placed health exhibits in their show windows while the children will carry through their part of the program with an educational parade which will line up at the court house at 2:30 p. m. and parade through the main streets of the city.

May day this year which has been set aside as a national health day by President Coolidge will be celebrated throughout the entire country, the rural districts as well as cities.

The parade will include school children, Girl Scouts dressed in costumes resembling vegetables, the Brainerd Boys band and "Tobo," the health clown. In all the parade will be a very interesting one as well as educational.

Local health activities for the day will be in charge of Miss Thora Ingberison, county health nurse and Miss Eula F. Michael, city health nurse.

Willing Workers
The Willing Workers' association of the Swedish Baptist church will hold their monthly meeting in the church parlors tomorrow evening at 8 o'clock. A cordial welcome is made to everyone.

STATE HIGHWAY MAINTENANCE SHOPS AND OFFICE BUILDINGS —BIDS CLOSE MAY 10.

St. Paul, Minn.

NOTICE TO CONTRACTORS
Sealed proposals will be received up to 2:00 p. m. May 10th, 1926, by the State of Minnesota, at the office of the Department of Administration and Finance, State Capitol, St. Paul, for the construction of Maintenance District Shops, and Office Buildings at Rochester, Bemidji, Brainerd, and Detroit, Minnesota, for the Department of Highways.

Bids will be opened publicly immediately after the hour set for receiving bids at the office of the Department of Administration and Finance, State Capitol, St. Paul, Minnesota. Plans and specifications are on file for inspection at the office of the Department of Highways, 1246 University Avenue, St. Paul; Department of Administration and Finance, State Capitol, St. Paul; and at offices of District Maintenance Superintendents of the Department of Highways at Rochester, Bemidji, Brainerd and Detroit, Minnesota.

Bids must be accompanied by a certified check, made payable to the State of Minnesota, for at least 5% of the amount of the proposals.
4-29&5-4 C. M. BABCOCK,
Commissioner of Highways.

Hall's Catarrh Medicine is a Combined Treatment, both local and internal, and has been successful in the treatment of Catarrh for over forty years. Sold by all druggists.

TEX RICKARD MAY TALK TODAY

NEW YORK BOXING COMMISSION MAY ASK HIM TO DIVULGE PLANS

New York, April 29.—(UP)—Tex Rickard, New York boxing promoter, probably will be asked to detail his plans for a heavyweight championship fight when he appears before the New York boxing commission today.

Rickard intends to apply to the commission for a license to promote boxing in the Yankee Stadium and for a renewal of his Garden license which expires in a few weeks.

The formality of applying for a license will give the commission its first official opportunity to demand information from Rickard about the contract he said he had signed with Jack Dempsey.

Rickard said today he did not intend to discuss the heavyweight situation with the commission, but that he might have to answer questions "when they get me in there."

De Luxe Prison Life

Trenton, N. J.—Officials are investigating the charge that William Hagerty, a convict in the state prison, was permitted to leave the prison farm every week end and spend the time in a Newark night club. Hagerty, convicted on a charge of selling worthless stock, is said to have made the trip from Leesburg to Newark in his own Pierce Arrow motor car.

ADVANCE IN STOCKS

New York, April 29.—(UP)—Accompanying the advance in stocks today

was short covering in some issues, particularly General Motors and General Electric. Under cover of this retreat of shorts there was some profit taking reported under way in General Motors from one source. However, other buyers, particularly from out of town, helped absorb these offerings.

Sentiment still continued good as different classes of stocks joined in the advance, giving it a much broader scope than in recent days.

Coppers improved as did sugar stocks.

Piles Disappear

No Cutting or Salves Needed
External treatments seldom cure Piles.

Nor do surgical operations.

The cause is inside—bad circulation.

The blood is stagnant, the veins flabby.

The bowel walls are weak, the parts almost dead.

To quickly and safely rid yourself of piles you must free the circulation—send a fresh current through stagnant pools. Internal treatment is the one safe method. Ointments and cutting won't do it.

J. S. Leonhardt, M. D., a specialist, set at work some years ago to find a real internal remedy for piles.

He succeeded. He named his prescription HEM-ROID, and tried it in 1,000 cases before he was satisfied.

Now HEM-ROID is sold by druggists everywhere under guarantee. It is a harmless tablet, easy to take, and can always be found at Johnson's Pharmacy and H. P. Dunn's, who will gladly refund the purchase price to any dissatisfied customer. —Adv
